

DOTMAR Feed Storage Bin

Dotmar Feed Storage Bin is the perfect solution to protect and store your horse's feed or other perishable items. It will keep your feed dry, dust free and 100% rodent proof.

Dotmar storage bin is sturdy as well as lightweight and easy to move around. Dotmar's feed bin has extended life span compared to timber or metal – will not rust or rot. UV stabilised materials are perfect for indoor or outdoor storage.

Dotmar Feed Storage Bin can be made to your dimensions with no extra design charge. Additional fittings can be included. Sold in a flat pack or assembled.

- 100% Waterproof - 100% solid sheet
